

## ACA Compliance Vendor Checklist

Accurate ACA reporting is key to mitigating your organization’s penalty risk. Use this checklist to determine which vendor will make your life easier and deliver accurate ACA reporting.

CRITERIA	VENDORS		
	Benefitfocus® ACA Compliance Solution, Powered by Tango Health®	#2 _____	#3 _____
<b>Proven solution:</b> Have they had success working with organizations like yours? (Tip: ask for references)	✓		
<b>Complete solution (not just software):</b> Do they have experts and software to pull the data together and clean it up, track analytics, file with the IRS and manage penalty notices?	✓		
<b>Year-round guidance and support:</b> Is a designated ACA expert assigned to your organization to guide you through the ACA process, alert you to potential issues monthly, and communicate new ACA developments?	✓		
<b>Easy implementation:</b> Is it a simple process to switch from a different ACA vendor?	✓		
<b>Artificial intelligence insights:</b> Can the solution automatically provide data trends and proactive alerts to potential ACA issues?	✓		
<b>Complex data aggregation:</b> Can the software pull together data from multiple systems and EINs and identify data errors?	✓		
<b>Merger &amp; acquisition process:</b> Does the vendor have a thorough process to ensure accurate reporting during mergers and acquisitions?	✓		
<b>Employee tracking:</b> Can the software accurately track complex employee groups like seasonal and variable hour employees?	✓		
<b>Comprehensive analytics:</b> Does the solution include monthly reports and updates to keep you on track?	✓		
<b>Penalty and audit management:</b> Will their experts manage penalty responses and provide an audit trail?	✓		
<b>Standalone tool:</b> Is the solution available even if you switch benefits platforms?	✓		
<b>Expert ACA call center:</b> Can their team answer your employees’ common questions?	✓		
<b>Secure Platform:</b> Does the vendor have SOC1 & SOC2 Type II, and SOC3 certifications?	✓		
<b>State individual mandates:</b> Can they manage state mandate reporting?	✓
