

Progress Worksheet

One of the most frustrating things about language learning is that it's hard to "see" your progress. **If you are using my method or a variation, this worksheet is designed to help you track your progress from week to week.**

Week starting on _____

Metrics	Mon	Tue	Wed	Thurs	Fri	Sat	Sun	Sum	Average
Number of pages looked up									
Number of unknown words									

Unknown words per page = _____ (Sum of pages looked up / sum of unknown words)

Pages remaining = _____ (last page number - current page number)

Days remaining = _____ (pages remaining / average pages looked up)
