Candidate Application Form for Project Working Group

4 April 2019

IMPORTANT NOTE

In submitting this form, please ensure that you have the necessary internal approval(s) for participating in the Project Working Group, including, at a minimum, availability to commit sufficient time to prepare for and attend virtual and in-person meetings as specified in the Terms of Reference.

The GSSB will discuss and approve the final composition of the Project Working Group at one of its public meetings. Your name, organization, position, stakeholder group and country, as well as a summary of your background and experience (question 2 within this form) may be shared publicly with the GSSB to inform decision-making. The GSSB and the Standards Division will **not** use your email address or other personal information for any purpose other than for the recruitment of the Project Working Group. To learn more about GRI's Privacy Policy click [here](#).

How to apply

Interested parties are invited to nominate themselves for participation in *GRI Oil, Gas, and Coal Sector Standard* Project Working Group by submitting their CV, in English, to the GRI Standards Division (oil@globalreporting.org), in addition, please submit this application form **before 24:00 CET on 4 May 2019**.

Please consult the [Terms of Reference](#) on the GRI website, which outline the mandate of the Project Working Group, including its composition, selection criteria, commitments and project timeline.

The final selection of Project Working Group members will be based on the criteria outlined on page 6 of the Terms of Reference. The Global Sustainability Standards Board (GSSB) will determine the final composition of the Project Working Group.

Shortlisted candidates will be invited for a 30-minute telephone interview. Interviews will be conducted on a rolling basis as applications are received.

If you have any questions, please contact the Standards Division at oil@globalreporting.org.
