

Prospector Assessment Report Form

This form is to be completed for licences held by individuals only.

Sections A, B, I, J and K are mandatory for all report submissions. Other sections of the form must be completed if they apply to one or more your licence(s).

Key points before you start:

- Save this form with a name that includes the **property name & calendar year** before you fill it out.
- For best compatibility, open and fill out saved form in **Adobe Reader**.
- All information and data is valuable for guiding future exploration work, even if no promising observations or results were found. Ensure that you report on all results and findings.
- This form has a guide that you must follow to make sure your submission is successful, please refer to the [“Guide to Filling out the Prospectors Assessment Form”](#).

SECTION A MUST BE COMPLETED BY ALL

[illegible]

Section B: Work Log Table

List all people, including licence holder, working each day. *If you need more space than is provided below, fill out and attach an additional "Work Log Table".*

[illegible]

Did you conduct compilation work on the licence(s)?

IF YES = Complete **Section C** **IF NO** = Proceed to **Section D**.

Section C: Compilation (see “*Guide to Filling out the Prospectors Assessment Form*” for details)

Provide a brief description of compilation work.

*The following documents **MUST** be submitted with this form:*

- ✓ *All compiled historical data tables, maps, etc.*
- ✓ *A List of References.*

Did you conduct traverse work (traditional prospecting, soil sampling, etc.) on the licence(s)?

IF YES = Complete **Section D** **IF NO** = Proceed to **Section E**.

Section D: Traverse work (see "[Guide to Filling out the Prospectors Assessment Form](#)" for details)

Provide a brief summary and description of what was found per license.

The following documents **MUST** be submitted along with this form:

- ✓ Sample Location Map (if samples were collected on traverse) that shows all licence boundaries being reported on.
- ✓ Complete Section F: Sample Location Table.
- ✓ Traverse Location Map (if no samples were collected) that shows all licence boundaries being reported on.

Did you excavate or rehabilitate any trenches on the licence(s)?

IF YES = Complete **Section E** **IF NO** = Proceed to **Section F**.

Section E: Trenching and Rehabilitation (see "Guide to Filling out the Prospectors Assessment Form" for details)						
<p>Provide a brief description.</p> <p>The following documents MUST be submitted with this form:</p> <ul style="list-style-type: none">✓ Trench Location Map that shows the licence boundaries for the licences being reported on.✓ Photographic documentation of any rehabilitated trenches.						
Trenching Information Table						
If you have more trenches than the space provided below, attach an additional "Trench Information Table"						
Trench name or number	Licence	Datum	Easting	Northing	Dimensions	# Samples

Section F: Sample Information (8 7 h 7)

Each of the following documents **MUST** be submitted for each sample:

- ✓ Certificates of Analysis issued and signed by the Laboratory as a PDF.
- ✓ Analysis results in an Excel spreadsheet as received from the Laboratory.

Sample Number	Licence #	Sample Type (e.g. rock, soil, till, stream sediment)	Sample Source (e.g. float, channel, trench, outcrop)	Sample Description	Datum	Easting	Northing	Assay Certificate #'s

Did you collect **geophysical data** on the licence(s)?

IF YES = Complete **Section G** **IF NO** = Proceed to **Section H**.

Section G: Geophysical Survey & Preparation (see "*Guide to Filling out the Prospectors Assessment Form*" for details)

Provide a brief description.

*The following documents **MUST** be submitted with this form:*

- ✓ *A map showing the location(s) of the geophysical survey.*
- ✓ *All digital geophysical data.*

Did you have any exploration **companies** or **contractors** visit the licence(s)?

IF YES = Complete **Section H** **IF NO** = Proceed to **Section I**.

Section H: Company / Contractor Visits (see "[Guide to Filling out the Prospectors Assessment Form](#)" for details)

Provide a brief description of the visit.

*The following documents **must** be submitted with this form:*

- ✓ *All data gathered by the Company / Contractor during the visit.*
- ✓ *A table that details the money spent by the Company / Contractor during the visit.*

SECTION I MUST BE COMPLETED BY ALL

Section I: Expenditure Table (see " Guide to Filling out the Prospectors Assessment Form " for details)			
A separate table must be submitted for each licence reported in the " Expenditure Table ".			
Refer to the " Guide to Filling out the Prospectors Assessment Form " for help with completing this table.			
Licence number:		Work dates:	
Part A - Creditable Expenditures			
Complete those that apply.			
Line items:	# Hours / Days	Rate	Total \$
Licence holder hour rate		\$12.50	
Helpers hour rate		\$12.50	
Food Per diems		\$30	
P. Geo. services		\$450	
Private accommodation		\$50	
Personal vehicle		\$60	
Personal ATV / snowmobile / boat		\$40	
Personal excavator		\$250	
Personal fixed-wing aircraft		\$1000	
Part A: Total Creditable Expenditures			
Part B - Receipted Expenditures			
Complete those that apply. All Expenditures in Part B may require receipts.			
Line items:	Item(s)	Cost \$	
Field work consumables			
Excavator costs (including for rehabilitation)			
Sample assays			
Sampling consumables			
Geophysical survey & preparation			
Company / contractor visits			
Accommodation rental			
Rentals (helicopter, vehicle, equipment)			
Fuel			
Miscellaneous			
Part B: Total Receipted Expenditures			
Part A Total + Part B Total			
Contingency (15%)			
Total Expenditures			

SECTION J MUST BE COMPLETED BY ALL

Section J: Checklist of Required Attachments (see <i>"Guide to Filling out the Prospectors Assessment Form"</i> for details)			
<p>Complete the checklist below to ensure all pertinent documentation is attached.</p> <p>Incomplete Prospector Report Forms that do not have all the required documentation will not be accepted and will result in rejection of work expenditures.</p>			
Did you complete this section?	Have you attached these documents?	Yes	No
Section B: Work Log	Additional "Work Log Table(s)" . Number of Additional Pages:		
Section C: Compilation	Compilation map		
	Compiled historical data		
Section D: Traversing	Sample location map(s)		
	Traversing location map(s) <i>(required if no samples collected on a license)</i>		
Section E: Trenching and Rehabilitation	Trench location map		
	Trench rehabilitation photo(s)		
Section F: Sample Info	Additional "Sample Information Table(s)" . Number of Additional Pages:		
	Assay certificates as signed PDFs and Excel files		
	Photos of sample sites and / or samples		
Section G: Geophysical Survey	Survey location map(s)		
	Survey results map(s)		
	Raw geophysical data		
Section H: Company / Contractor Visits	All data and results for work (e.g., sample locations, assay certificates, geophysical data, etc.)		
	Expenditure table provided by the company		
Section I: Expenditures	An "Expenditure Table" for each Licence.		

SECTION K MUST BE COMPLETED BY ALL

Section K: Acknowledgements and Acceptance

Complete and accurate information is important to avoid delays in accepting your Prospector Assessment Report Form. Any applicable sections left blank will be considered incomplete and will not enter the review process. Failure to complete the sections will result in either the disallowance of any associated work expenditures claimed in Section I or the rejection of the form in its entirety.

Please review and confirm the following:

I hereby certify that all required and applicable sections of this form have been completed.

I hereby certify that I have reviewed the completed Prospectors Assessment Report Form and the information contained within is true and accurate to the best of my information, knowledge and belief.
