

Support Needs Enquiry Form

The responses that you provide on this form will be used by the Learning Support team to find out whether you may require assistance to help you make the most of your time at university. You may need support for one or more reasons: physical impairment, Specific Learning Difficulty, mental or physical health issues. To provide appropriate support for you during your course, we may need to share the information you provide on this form with others, this will be done with your permission.

The sooner you provide us with the information, the sooner we can discuss reasonable adjustments and therefore we encourage you to complete this form if you have support requirements. You are however not obliged to complete this form and can call into Student Services at any time during your studies with us at university to discuss support.
