

## Work-in-Progress Evaluator Worksheet

Student's name:

Admission Date:

WIP Date:

Presentation Title:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Abstract:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Organization of Presentation:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Quality of Slides:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Communication Skills:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Background Information:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

How well did the speaker define the goals and specific aims?

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Experimental approach:

Novel                       Satisfactory                       Unsatisfactory

Quality of Results:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Conclusions:

Insightful                       Appropriate                       Erroneous

Ability of the speaker to answer questions clearly:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Considering the admission date, rate the overall progress of the student towards completing thesis research:

Excellent                       Very Good                       Good                       Satisfactory                       Unsatisfactory

Strengths:

Weaknesses:
