

Draft Information System (DIS)

Confirmation Checklist - Initial Transit of the 2022 Navigation Season

Every navigation season, a vessel intending to use an approved DIS to transit the system must fax or email this completed confirmation checklist to the appropriate Traffic Control Centre, prior to its initial transit of the season. Any ship intending to use the DIS for the first time must notify the Corporation in writing at least 24-hours prior to commencement of its initial transit in the system with DIS.

Vessel Name:

IMO Number:

The Master's initials in this column indicate that the validation requirement has been satisfied
