

Student Questionnaire

Please answer the following questions. The more you write the more interesting and creative your letter of recommendation may be.

- 1) Tell me something you are proud of that might surprise your friends or parents.

- 2) What should colleges know that won't be part of the application? Are there any specific areas or information you would like me to stress in your recommendation?

- 3) List those extracurricular activities that have been most meaningful to you. Explain why and provide specific details.

- 4) What academic areas are you interested in exploring in college? Why? Are you interested in any particular profession? Why?

- 5) Please tell me anything unusual or interesting that has happened during your high school career. Family/cultural background? Interests? Crisis?

- 6) List three adjectives to describe yourself. Provide an explanation using examples or quotes.
