

## Financial Aid Course Agreement

Student Name: \_\_\_\_\_ S# \_\_\_\_\_

You are being asked to complete this form because you are enrolled in at least one class that does not count toward your RRCC degree, which can impact the amount of financial aid you may receive. You are not required to drop courses that do not count toward your RRCC major, but it is important that you understand how your financial aid is being impacted.

*Financial aid eligibility requires students to be enrolled in an eligible degree and/or certificate program (generally a program at least 16 credits in length), and **financial aid amounts are based only on the classes that are required for your declared RRCC degree.***

**Any courses that do not count towards your declared RRCC major may not be included when determining the amount of aid you may receive.**

Read and initial below, to indicate that you understand each item, before signing and submitting this form to Financial Aid:

\_\_\_\_\_ BEFORE CENSUS DATE: I understand I have the option to drop any courses that do not apply to my program **before the drop deadline**. NOTE – if you **withdraw** from a class after the **drop deadline**, you will be required to pay for the course, and it may negatively impact your satisfactory academic progress (SAP) standing and your eligibility for aid in the future.

\_\_\_\_\_ I understand that **courses that are not required by my declared major will not be included when determining my financial aid eligibility, and I will pay any remaining tuition balance myself.**

\_\_\_\_\_ I understand that **most types of financial aid require that I am registered for at least 6 credits that count toward my declared major**, and that if my classes do not meet this requirement I may not qualify to receive financial aid funding.

\_\_\_\_\_ If I believe the courses that I am taking are eligible for substitution within my program, I will meet with my Professor and/or Faculty Chair to complete the paperwork to request a course substitution (please attach supporting documentation from Faculty, if applicable).

\_\_\_\_\_ I understand that my financial aid has been adjusted to exclude classes that are not required by my RRCC degree.

***If you are unsure about which courses are required by your major, or the deadlines to change your schedule, please contact your Pathway Advisor.***

***To find out how much financial aid you may receive based on your class schedule, contact Financial Aid.***
