The Cross Institutional Program is a scheme which enables students who are currently enrolled in award programs at other Australian universities to study University of Southern Queensland (USQ) courses which count towards the program at their home university. Cross Institutional students may select most external or on-campus courses which USQ offers, providing space is available in the course.

Australian citizens, New Zealand citizens, holders of Permanent Residency or Permanent Humanitarian Visas should use this form.

**International students** are able to apply to study cross-institutionally on a full fee paying basis. For further information contact the International Recruitment and Admissions team on **+61 7 4631 5543** or by email **[international@usq.edu.au](mailto:international@usq.edu.au)**
