

**Student:**

**Date:**

### **IEP Preparation Student Questionnaire**

What do you hope to be doing with your life in 5-10 years?

What type of career do you hope to have after graduating from college?

How do you see yourself being involved in your community as an adult? (coaching, church, sports, volunteer work, etc)

How do you see yourself spending your free time as an adult (hobbies, etc)?

What plans do you have for college or job training after high school?

#### **Student Profile**

**In school, what do you feel are your greatest areas of strength or interest? What is your favorite class right now? Why?**

**In school, what areas do you feel that you most need to improve or develop? What class is hardest for you? Why?**

**What types of modifications and accommodations are effective for you?**

**What types of assignments and lessons are challenging for you?**

**What activities do you take part in outside of your classes? (clubs, sports, music, etc)**

**What types of community service have you done in high school?**

**What types of community service would you be interested in doing on a regular basis?**

**What type of career are you interested in? Do you have any work experience?**

**What steps do you need to take to learning more about this career and/or finding out more about your career interests?**

**Are you planning to attend college after graduating? What would you like to study?**

**What would you like to learn about college options & applications in the next year? What are your next steps to prepare for college or your post graduation plans? (ACT/SAT prep, etc)**

**Scheduling**

Math sequence:

Science sequence:

Electives (including mentorship):

Planned dual enrollment:

**Goals**

Based on the concerns and/or academic/career/college needs that you identified, what is one academic or intellectual goal that you have for yourself that you can accomplish in the next year? (might need to prompt to turn this into a SMART goal)

What smaller steps or actions do you need to take to achieve your goal?

What support can teachers provide to help you reach this goal?

**Accommodations**

Show student copy of sample interventions.

What are the five most important things that your teachers can do to make sure that you are intellectually challenged and engaged?
