

ADDITIONAL VENUE/FACILITY

If your project activities will take place at multiple locations, please complete a checklist for each venue.

Provide a checklist for each arts program location. If the facility is not owned/operated by your organization, review these statements with your intended location. If possible, select locations that fully comply with ADA/504 requirements. If not, request that the facility/venue make every effort to upgrade to compliance as soon as possible.

Location Name _____

Address _____

THE VENUE/FACILITY PROVIDES:

	YES	NO	N/A
Designated accessible parking spaces with adjoining curb cuts, and an accessible route from parking to the venue entrance	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
