Section 4. Visit to nearest health center

Name of facility: _____

Date: _____

If the nearest health center other than the commune health center is within 30 kilometers, it is to be visited. Complete questions 400, 401 and 402 upon arrival at the facility based on your own observations. Then find a knowledgeable staff person at the facility to answer the remaining questions.

If this facility has already been visited for a different cluster, record DHS cluster number here:

--	--	--

If the facility has already been visited, a second visit is not needed. End your visit.

400	If this is the first facility visited after the cluster visit, record distance from cluster from the odometer	Distance from cluster <table border="1" style="display: inline-table; width: 40px; height: 20px; vertical-align: middle;"></table> Not first facility visited 95 Health center in ea 96
