

2021 Governor's Honors Academy Superintendent's Recommendation

Name of County _____

NOTE: Fifteen (15) career-technical students are chosen statewide for the Academy. Please place C-T beside the name of students who are in a career-technical course of study that will result in CT certification in that area. This does NOT mean students who may be taking a c/t class as part of their career major track. These 15 slots are specifically for career-technical students. When students are of comparable quality, please try to represent all schools in the county. **When selecting students, try to be equitable across schools unless there is a serious breach in the quality of applicants.**
