DATE NOTES: Put your intended arrival/departure dates to/from Spain. YOUR VISA WILL START ON THIS "FROM" DATE. If you are from a country that requires a tourist visa to travel to Spain, you should not enter until this start date, so be careful not to arrive too early! If you are a US citizen (or from another country that does not need a visa to enter Spain as a tourist for up to 90 days) and you enter as a tourist before the visa start date, you may need to leave Spain to deactivate your tourist status and then re-enter to activate your student visa. Put this same entry date on your NATIONAL VISA APPLICATION FORM.
