

## Volunteer Questionnaire

Thank you for your interest in volunteering with the Leelanau Conservancy! Our volunteers are critical to our organization and we strive to provide them with rewarding experiences.

Please provide your contact information, volunteer opportunities you may be interested in and return or mail this form to our office.

Name \_\_\_\_\_ Today's date \_\_\_\_\_

Address \_\_\_\_\_

Email \_\_\_\_\_ Phone Number \_\_\_\_\_

### **Outreach:** help us promote our organization

- Information Booth attendant – greet people and sell merchandise at events.
- Auction Committee – serve on this fun committee which meets monthly year-round to plan for a successful Auction at our Annual Picnic.
- General Event/Picnic Help – help at natural area dedications and donor appreciation events.
- Photographer – travel to stewardship sites to take pictures; submit photos and comments to our online blog, Why Leelanau?
- Social Media Partner- help spread the word of our mission by actively posting and sharing our news on Facebook and Twitter.
- Musicians – we have a need for background music at certain gatherings throughout the year.
- Docent program – this is a major commitment involving 40 hours of training along with leading hikes throughout the year at our Natural Areas.

### **Office Assistance:** help us with our critical day to day needs

- Mailing Crew – stuff and address envelopes.
- Thank You Calls – help thank our generous donors.
- Gardeners – tend our office gardens.

**\*More Options on Back**

**Caring for Land with Stewardship:** help us rescue, restore, and preserve natural resources

- Wildflower Rescue - save wildflowers from construction sites.
- Trail Stewards- this is a major commitment involving keeping our trails clear year round- may require chainsaw use.
- Trail Building or Maintenance – help the public safely enjoy our natural areas.
- Carpentry and Construction – help build or repair outdoor stairs and platforms.
- Surveying/Coastal Monitoring– collect data about natural features and invasive species.
- Water Monitoring – collect data about water quality on county streams.
- Snowplowing—keep parking areas cleared at our Natural Areas where we regularly hold winter hikes.
- Nurturers – bring a batch of muffins and water/refreshments to keep our workers fueled at our volunteer events.

Please tell us about any special skills (like web design, GPS experience etc.) or additional comments you have:

**Thank you** for taking time to fill out this form and we will contact you shortly about the next steps for volunteering with the Leelanau Conservancy!

Please mail completed form to Leelanau Conservancy, PO Box 1007, Leland, MI 49654
